Uncover A World That Has Achieved the United Nations Millennium Development Goals...

A Global Art, Photography and Multimedia Competition for Elementary, Junior High, Senior High and Adults

Consider Yourself in a World that has achieved the **United Nations Millennium Development Goals (MDGs)**

Here's your chance to capture what your world would be like.

- What would be possible?
- What would the world look like for you and your community?
- What would achieving the MDGs mean to people in developing countries?

This Global competition sponsored by the **Calgary Board of Education and CAUSE Canada** is your opportunity to explore the possibilities through these three categories:

- Artwork, photography and digital media.

The first place winner for each category will win an iPod Nano!

o **Artwork:** Elementary category, Junior High Category, Senior High Category and Adult Category

o **Photography:** Elementary category, Junior High Category, Senior High Category and Adult Category

o **Digital Media:** Elementary category, Junior High Category, Senior High Category and Adult Category

• **The 8 MDGs...**

1. Eradicate extreme poverty and hunger
2. Achieve universal primary education
3. Promote gender equality and empower women
4. Reduce child mortality
5. Improve Maternal Health
6. Combat HIV/AIDS, malaria and other diseases
